Since 1986, Lone Star has been providing everyone a wide range of tastes from every corner of Texas – from our legendary fajitas with warm house-made tortillas, to our well aged steaks, to our fall off the bone ribs. We pride ourselves on our authentic recipes, in-house smoked seasonings, and real Mesquite wood for our wood fired grill.

As a member of the Lone Star family, you play an important part in making Lone Star a place where family and friends come to enjoy genuine hospitality paired with great Southern food and drinks. Our Lone Star Culture is what brings to life our passion of Every Guest Experience Every Time.

- Your passion for amazing food and drinks, genuine hospitality, and friendly service will ensure every guest has a great experience every time.
- You are accountable for your actions and inactions, but you also are empowered to make decisions that ensure every guest has a great experience every time.
